

Cumulus Green 2020

For a New Circular Economy

CALL FOR ENTRIES

Design for regeneration.

Design for people, planet and prosperity.

We are currently consuming more resources than ever, exceeding the planet's capacity for regeneration. What role can **you** play in helping us transition to responsible consumption and production patterns? How might we do more and better with less?

We want to hear from you!
Be part of the Cumulus Global Student Community.

Cumulus Green 2020: For a New Circular Economy calls on all Cumulus students to submit your best work aligned with the United Nations Sustainable Development Goals (SDG 12: responsible consumption and production) and a vision for a circular economy.
