

STITCHING LANDSCAPE

stitching as a methode

**Started from an uncomfortable feeling in an unfamiliar place.
Making my own horizon of the landscape as a reaction to the
uncomfortable feeling. Stitching as the method.**

**Stitching a new path in the landscape of Paljassaare by
connecting all abandoned buildings. Making them more visible for
foreigners.**

The horizon of a non existing landscape

Stitching the horizon of a non existing landscape

“Stitching the abandoned buildings together.”

Making a new path that connects all abandoned buildings. Stitching as a method.
